RE: Purchased Water Rate and Wholesale Water Rate Increases

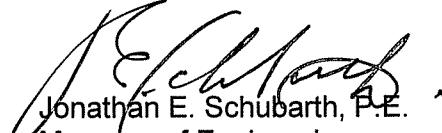

Dear Brent:

Butler County Water System, Inc. is proposing to sale water on a wholesale basis to the Morgantown Utilities Commission for a period in late 2009. In the future, Butler County Water System, Inc. may likewise purchase water on a wholesale basis from the Morgantown Utilities Commission. Therefore, Butler County Water System, Inc. needs to file a revised purchase water tariff and wholesale water tariff reflecting the wholesale rates charged by Butler County Water System, Inc. and Morgantown Utilities Commission. Enclosed are the following documents:

1. Notice of wholesale rate from Butler County Water System, Inc. to Morgantown Utilities Commission dated August 31, 2009.
2. Notice of wholesale rate from Morgantown Utilities Commission to Butler County Water System, Inc. dated September 1, 2009.
3. Original of the Butler County Water System, Inc.'s revised tariff reflecting the change to the Table of Contents and the Purchased Water Rate and Wholesale Water Rate.

If we can provide anything else at this time, please call.

Sincerely,

Jonathan E. Schubarth, P.E.
Manager of Engineering
